Thank you for your interest in serving as a volunteer at Lake Louise. Please note, completing and submitting this form is the first step towards serving as a volunteer at Lake Louise. We require all volunteers to undergo a comprehensive background check and child protection training. Applicant must be approved by the camp dean as a member of their team. And, final determinations as to whether or not volunteers may serve at camp are made solely by the Lake Louise Executive Director and Director of Camping & Retreat Ministries. Once notified of your acceptance as a volunteer at camp, please ensure the health history form is on file as quickly as possible. We try to accommodate everyone's dietary restrictions. However, this can only happen if we know about them!
