

CHILD'S NAME: \_\_\_\_\_ Summer Camp Session: \_\_\_\_\_

## Lake Louise Summer Camp: DIABETES FORM

Please attach this completed form to your child's health form.

Your child will be responsible for managing their diabetes while at camp. Health Center staff will provide support including menu and carb counts. Please note that we do not have diabetes educators or specialists on staff. Call 231.549.2728 for any questions.

### DIABETES EXPECTATIONS

Lake Louise Summer Camp programs takes place in the outdoors and your child will be more physically active than they are at home. The closest hospital, Munson Healthcare Otsego Memorial Hospital in Gaylord, MI is approximately 20 minutes away.

It is our expectation that your child is capable of self-managing their diabetes: comfortable with counting carbs, recognizing if they are high or low, injecting insulin, etc. Children with insulin pumps are expected to be familiar with their pump and be able to manage pump malfunctions, changing sites and replacing tubing. Your child will carry their supplies and snacks with them while at camp. Extra supplies and snacks can be stored at our Health Center.

### DIABETES INFORMATION

When does your child check their blood sugar level?
What is your child's typical range for blood sugar readings?
When does your child inject insulin? Please include what type of insulin is used and how many units.
